

Dr. Steven B. Andreaus, DDS, PA
Five Points Center for Aesthetic Dentistry

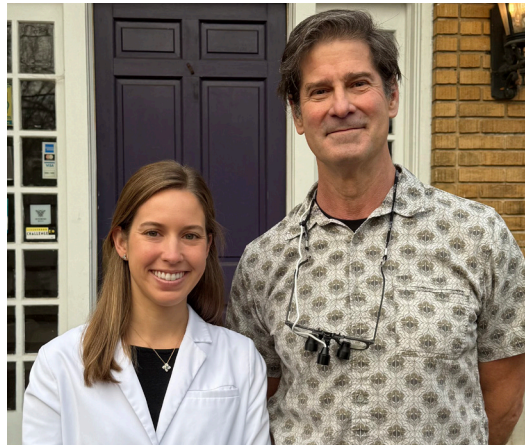

To Our Valued Patients and Friends,

January 2, 2025

I hope this letter finds you healthy and happy in the new year. I am writing to share that I am retiring from practicing dentistry in the Hayes Barton community after 36 very enjoyable and rewarding years. It has been an honor and a privilege to provide dental care for you and your families. I sincerely appreciate the trust you have placed in me and my wonderful team members and am grateful for the friendships that we share.

While planning for retirement, my primary goal has been to ensure that my patients will continue to receive the level of care and personal attention that has been a trademark of my practice. I am thrilled to announce that I have chosen a remarkable young woman, Dr. Charlotte Hunt, to do just that. Dr. Hunt has already earned an impeccable reputation for excellence in our community, so I am confident that you and your family will be in very good hands. I can't imagine a better person to transfer your trust to.

Our goal is for this transition to be as seamless as possible. You will be pleased to know that my trusted business assistant, Lisa Brock, will continue to support Dr. Hunt as a vital member of her team so you can look forward to her smiling face and helpful spirit at each and every visit. If you already have an appointment scheduled in 2025, Dr. Hunt and Lisa will look forward to seeing you. If you do not have an appointment yet, please call the office at your earliest convenience. Of course, don't hesitate to reach out if you have any questions at all.

In closing, thank you again for your trust, loyalty, and friendship. I will miss you but am very confident that Dr. Hunt will continue this tradition of individualized care with a focus on excellence.

With much gratitude,

Steven B. Andreaus, DDS
